Homecoming 2002 is on Saturday, October 19, 2002. We would like to invite all who have marched with the UCMB to come to UCONN and join in the fun!

As you may already know, this will be our last year to perform at Memorial Stadium. The UCONN football program will begin it's 2003 season in the currently under construction, East Hartford Stadium. So, lets make our final home performance one to truly remember! Call all of your band friends and make sure that they will attend the day's events.

The UCMB has an extremely limited amount of instruments available to loan for our performance. So please make every effort to bring your own instrument. Music stores often allow short term rentals if needed. Also, please bring your lyre and flip folder if needed.

Grills needed for Homecoming

Are you close to UConn in Storrs? Are you going to Homecoming? If so, we are looking to cook things up a bit. In order to feed more people, more quickly this year; we need more grills so that we can cook more food simultaneously. So, "calling all grills!" We would like to get 4 or 5 people to bring their gas grill to Homecoming (arrive early enough to unload it and get it set up in the food preparation area). If this sounds like something you could do, please contact:

Jen Bradshaw (pbradshaw01@snet.net)

Got news? Got pictures?

We've all had great times at homecoming before. Did you capture any of that in a picture? If so, we'd like to put some of these digital pictures up on the Web site to show everyone what good times we have in the UCAMB. Also, if you have any news to share (e.g., births, weddings, etc.) we can put that up on the site as well. E-mail your pictures and/or news items to D. Scott Stewart (daibheid@cox.net)
